## **RECOMMENDED READS**

### **CAPTAIN SIR TOM MOORE ONE HUNDRED STEPS BY TOM MOORE**

*An inspiring and uplifting picture book by a national hero.  
A book about adventure, helping people and never giving up.*

*This is an inspirational picture book, published in support of the creation of the Captain Tom Foundation, which tells the incredible story of the man who walked 100 laps of his garden and captured the heart of a nation. Fully illustrated for younger readers and following the key moments from Captain Tom's incredible life, the book shows what is possible when we come together and never, ever give up.*

### **WE'RE GOING ON AN EGG HUNT BY MARTHA MUMFORD**

*We're going on an egg hunt. We're going to find them all. We're REALLY excited. Hooray for Easter Day! Join the Easter Bunnies as they set off on an exciting lift-the-flap Easter egg hunt. With ten eggs to find and count, it's great fun. But watch out for the obstacles along the way - lambs, chicks, bees and ducks - and there's even a wolfish surprise, so do take care. Based on the traditional 'We're Going on a Lion Hunt' rhyme, this will be a huge hit with all fans of the classic We're Going on a Bear Hunt.*

### **THE BOY WHO MADE EVERYONE LAUGH BY HELEN RUTTER**

*A laugh-out-loud, against-all-odds triumph of a story: the funniest debut of 2021*

*Billy Plimpton is an eleven-year-old boy with a big dream. He wants to be a stand-up comedian when he grows up: delivering pinpoint punch-lines and having audiences hang on his every hilarious word. A tough career for anyone, but surely impossible for Billy, who has a stammer. How will he find his voice, if his voice won't let him speak?*

# ONLINE CONTENT

## 10 tips to keep your children safe online

The internet has transformed the ability to access content. Many apps that children use are dependent on user-generated content which can encourage freedom of expression, imagination and creativity. However, due to the sheer volume uploaded every day, it can be difficult for platforms to regulate and moderate everything, which means that disturbing or distressing images, videos or audio clips can slip through the net. That's why we've created this guide to provide parents and carers with some useful tips on keeping children safe online.

### 1 MONITOR VIEWING HABITS

Whilst most apps have moderation tools, inappropriate content can still slip through the net.

### 2 CHECK ONLINE CONTENT

Understand what's being shared or what seems to be 'trending' at the moment.

### 3 CHECK AGE-RATINGS

Make sure they are old enough to use the app and meet the recommended age-limit.

### 4 CHANGE PRIVACY SETTINGS

Make accounts private and set content filters and parental controls where possible.

### 5 SPEND TIME ON THE APP

Get used to how apps work, what content is available and what your child likes to watch.

### 6 LET CHILDREN KNOW YOU'RE THERE

Ensure they know that there is support and advice available to them if they need it.

### 7 ENCOURAGE CRITICAL THINKING

Talk about what people might post online and why some posts could cause distress.

### 8 LEARN HOW TO REPORT & BLOCK

Always make sure that children know how to use the reporting tools on social media apps.

### 9 KEEP AN OPEN DIALOGUE

If a child sees distressing material online; listen to their concerns, empathise and offer reassurance.

### 10 SEEK FURTHER SUPPORT

If a child has been affected by something they've seen online, seek support from your school's safeguarding lead.
