## **RECOMMENDED READS**

### **THE BADDIES (HARDBACK) BY JULIA DONALDSON (AUTHOR), AXEL SCHEFFLER (ILLUSTRATOR)**

The brand-new picture book from superstar author and illustrator Julia Donaldson and Axel Scheffler is a riot of slapstick fun and silliness.

The Baddies are the meanest, nastiest ghost, witch and troll in the land. They just adore being bad, and fight over who is the worst. When a little girl moves into a nearby cottage, the Baddies can't wait to scare her out of her wits. But the little girl quickly shows them that you don't have to be big to be brave, and baddies don't always win.

Perfect read-aloud rhyming text and stunning pictures on every page with lots of details to spot!

### **TOTO THE NINJA CAT AND THE GREAT SNAKE ESCAPE: BOOK 1 (PAPERBACK) BY DERMOT O'LEARY (AUTHOR), NICK EAST (ILLUSTRATOR)**

Meet Toto: she's no ordinary cat, and she can't wait to have an adventure with you!

Toto the cat and her brother Silver live footloose and fancy-free in a townhouse in London. Toto is almost totally blind, and learned to trust her senses from a ninja cat-master who taught her back in Italy where they were born.

By day, Toto and Silver seem to be ordinary cats, but by night, they love to have adventures! One evening, news reaches Toto that a king cobra has escaped from London Zoo! Together with help from a very posh cat and two hungry tigers, Toto and Silver must investigate. Can they find the giant snake, before it's too late?

### **WINDRUSH CHILD (PAPERBACK) BY BENJAMIN ZEPHANIAH (AUTHOR)**

In this heart-stopping adventure, Benjamin Zephaniah shows us what it was like to be a child of the Windrush generation. Leonard is shocked when he arrives with his mother in the port of Southampton. His father is a stranger to him, it's cold and even the Jamaican food doesn't taste the same as it did back home in Maroon Town. But his parents have brought him here to try to make a better life, so Leonard does his best not to complain, to make new friends, to do well at school - even when people hurt him with their words and with their fists. How can a boy so far from home learn to enjoy his new life when so many things count against him? 'Zephaniah pulls no punches in his depictions of the racism that Leonard suffers both at school and in the streets in a powerful, moving account of family and fitting in' iNews 'An invaluable story for any young readers who enjoy adventure and want to learn more about the Windrush generation's experience. Essential reading' Alex Wheatle ABOUT THE SERIES: VOICES A thrilling series showcasing some of the UK's finest writers for young people. Voices reflects the authentic, unsung stories of our past. Each shows that, even in times of great upheaval, a myriad of people have arrived on this island and made a home for themselves - from Roman times to the present day. Perfect for teaching children about inclusivity and diversity
